**UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA**

IN RE: PETITION OF LUKE NICHTER)
_____)

Action No. 12-mc-74 (RCL)

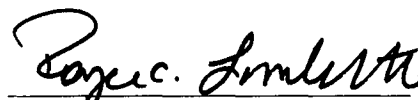

ORDER

This Court issued, under seal and *ex parte*, an Order and Memorandum Opinion on May 13, 2013, directing that certain records associated with the case of *United States v. Liddy* be unsealed. The Clerk of Court did not place in the docket entries of this case the filing of the unredacted versions of the Order and the Memorandum Opinion under seal since they were both issued *ex parte*. These unredacted documents should be docketed in the sealed record of this case, but the documents should be maintained in the Court's vault, accessible only to government counsel and the Court. The Court requested the United States to submit proposed redactions before placing these materials on the public record. *See* Order, May 13, 2013, ECF No. 16. The United States has now done so.

In addition to the proposed redactions, counsel for the United States alerted the Court to a factual error in the Court's Memorandum Opinion. The Court has deleted the factual error in the redacted version of the Memorandum Opinion attached to this Order.

Accordingly, the redacted versions attached hereto shall be filed on the public record of this case, and shall be made available electronically in the "unsealed opinions" category on the Court's public website.

SO ORDERED this 10th day of June 2013.

Chief Judge
